FAQ

That's why the folks working at DVD Video Soft Limited designed YouTube to MP3 converter, an application that is able to do this in a matter of seconds.. YouTube hosts an impressive number of videos from singers from all around the world so it would represent quite a simple solution to build a new playlist using your favorite content provided by the online video sharing platform.. The best thing about this application is that it's distributed for free, so you can use it for no price as long as you want.

[1. youtube to mp3 converter softpedia](#)

If you want to download the tool, you can find it on Softpedia. In case you're afraid of complex and difficult to use features, don't worry because all you need to do is to enter the URL of the YouTube clip, choose the audio settings and hit the convert button..
