[Keep Track Of Your Laptop's Battery With BatteryBar](#)

A screenshot of the BatteryBar application interface. It features a battery icon at the top left, followed by the title "BatteryBar v2.1 build 18". Below the title is a vertical green progress bar. To the right of the progress bar is a list of battery statistics: Percent (100%), Full Lifetime (3:19), Capacity (70,219mW of 70,219mW), Charge Rate (0mW), A/C (Connected), and Battery (Charged). At the bottom right of the interface is a button labeled "On A/C" with a left-pointing arrow.
